### Year 6 Activity Week Meeting

Just a reminder that there will be a meeting for the parents/guardians of all the year 6 pupils who are going on the activity week to Kingswood. It will be held in the school hall on Monday 10<sup>th</sup> May at 7:00pm.

### Year 3 and Year 4 trip to The Natural History Museum Wednesday 12<sup>th</sup> May

Just a reminder that the off-site visit parental consent forms **MUST** be returned to the school office on Monday if you have not already done so. This is to comply with the Northants County Council Risk Assessment Policy and failure to return this form will result in your child being unable to take part in the trip.

Children need to be at school for 7:50am and will return at approximately 5:45pm.

### Important

We had an incident last week with a parent being buzzed into school and going straight round to the playground. If you need to enter the school site during the day please use the intercom system at the gate. Once inside the gate you **MUST** come and report to reception and **NOT** wander around the school site outside. This is for the safety of all our pupils.

### Tesco Vouchers

Many thanks to those that have already sent in their Tesco Vouchers, we are busy totalling them up at present. If anybody has any more vouchers to send in they will be very gratefully received, and can be used to obtain some very useful resources.

**KEY STAGE 2 SATS – Year 6 – May 10<sup>th</sup> -14<sup>th</sup> May 2010 – Will take place at St Peters as well as in the local network schools.**

**Please make sure that all pupils in year 6 are in school next week.**

**The program is as follows:**

**Monday English**

**Tuesday English**

**Wednesday Maths**

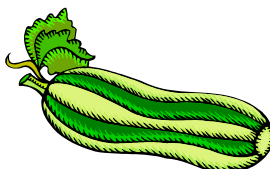

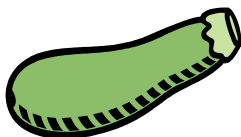

**Thursday Maths**

## Gardening

Thank you to the School Governors who kindly gave up their time to come and work with some of the Eco-Warriors, Change Team and School Council members to begin weeding and tidying the school gardens. Next week children will be able to buy a plant pot, compost and seeds to grow either a pumpkin, marrow or courgettes. They will need to take these home and “mind them” until they are big enough to plant out. There will be a competition for the biggest pumpkin or marrow or the most productive courgette plant. The cost will be 50p and all the proceeds will be used for future garden improvements. The children will be able to buy these from Monday from members of the gardening committee in the Science Garden at Morning Break.
