School Award  
2007-2010

## International Day

On Wednesday 3<sup>RD</sup> March we will be holding an International Day. All pupils will be issued with passports and will take off from our 'Airport' in the hall to various countries around the school.

Whilst in the countries the children will learn some interesting facts, look at some artefacts and take part in various activities. This will give all the children an insight into the different countries in a fun and exciting way using different learning skills.

One of the activities will be games from around the world which all the children will take part in. There is an opportunity for children and their parent/carers to learn some additional games after school in a workshop. There will be a charge of £3 per child. If you are interested please fill in the slip below.

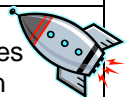

### Space Week

All the children have enjoyed a range of activities linked to space. They have built models, written letters, watched videos, created space dances, used the internet to research space and much more. If you look on our school website there is a range of pictures of some of the activities along with an article in the Evening Telegraph.

### Space Station

It is currently possible to see the Space Station from Earth at the following times:

SAT 04:46am 20deg above East for < 1 minute  
SUN 06:39am 10deg above West for 4 minutes  
For more details see our school website.

### Reminder for Y6 permission slips for Roy Leighton "Creative Thinking Workshop"

The Y6 children who have been selected for this workshop have had letters and need to return permission slips on Monday 22<sup>nd</sup> February 2010.
