Dear Parents

Ref: PARENTAL CONSENT FOR OUT OF SCHOOL VISITS

As you will be aware we often take children out on local visits in connection with work in the school. Local means in the immediate vicinity surrounding the school in Raunds. Each time we do this we need your consent for obvious reasons.

To make the organisation a little less complicated, I would be grateful if you would sign the accompanying overall consent form to cover any local visits for this academic year 2006/2007.

Such visits would be either on foot or by staff or parent car and we would have the requisite regulation staff supervision and cover. We would of course still inform you if you child was going to be out of school, but with a global consent form there would be no need for you to reply each time.

On occasions when visits involve any kind of cost or voluntary contribution, you will receive a letter with details and a consent form as usual.

Yours sincerely

Leah Stirrat
